2017 Canada-wide Consultation

Theme

In Solution Mode to Propel Immersion Forward

Proposed Schedule

Context

➤ In order to gain a better understanding of the French immersion professional realities in Canada, the Association canadienne des professionnels de l'immersion (ACPI) is conducting a widespread consultation among French immersion Professionals right across the country. The first stage of this consultation was initiated with an online survey distributed to all immersion professionals in October 2016. The grand tour of the country's provinces and territories, now moving to **XXX**, represents the second phase of the ACPI-lead pan-Canadian consultation.

Consultation Objectives

The purpose of the ACPI pan-Canadian consultation is:

1. to get to know French Immersion professionals,
2. to identify their needs,
3. and to better support them in their daily activities.
