

ACPI-ici! Professional Development Day

Description

ACPI-ici! days are professional development sessions for immersion educators in outlying regions.

Anyone working in immersion can organize one of these events in cooperation with ACPI. For example, a teacher, an academic advisor, or a local or regional association interested in planning a session for immersion educators in their region can submit an application to ACPI.

If the application is approved, ACPI will pay the speaker's fees and travel expenses up to \$1,000 for a full-day ACPI-ici! event, or up to \$500 for a speaker at an ACPI-sponsored workshop. The grant will only be paid out once the final report, evaluations, and other required documents are received. The maximum number of applications that will be approved each year is six (6).

As a formality, an invitation to the ACPI-ici! session will be sent to the ACPI provincial representative.
