

CREATING ACTION ORIENTED TASKS

7 STEP CHECKLIST

1. SOCIAL ACTOR

Learners are 'social actors' who must act in authentic contexts

2. REAL LIFE SITUATIONS

The action has a specific purpose and corresponds to a real life situation

3. CLEAR OBJECTIVES

The objective of the task is clearly communicated, so that the learner can achieve a tangible result

4. AUTHENTIC SITUATIONS

Learning is based on authentic experiences and documents

5. CONSTRAINTS

Each task contains conditions and constraints that allow for creative and critical thinking

6. LEARNER CENTERED

The learner draws from his or her own experiences and draws on any new skills acquired

7. LEARNER CHOICE

Learners make choices and must think and act strategically
