SCÉNARIO SCENARIO

My teachers need resources!
As a school administrator this is one of the most frequent requests from staff, but how do you know what resources are the most effective?

APERÇU DU CONTENU CONTENT OVERVIEW

“ACPI Partage” is a collaborative directory of classroom resources and activities created and shared by immersion educators across the country who understand the unique reality of the immersion classroom. Approved by the ACPI Validation Committee to ensure quality content and language, ACPI Partage contains an array of lesson plans, unit plans, classroom activities, projects, tasks, evaluation rubrics, book suggestions, etc. The list is endless!

Immersion educators are encouraged to share an activity, idea, or lesson plan and then receive a free A+ ACPI membership! To make the process as simple as possible, contributors fill in a simple Google form and upload their creations. Publishing one’s name is optional and the ACPI team reviews the language. Teachers are innovating daily in their classrooms. Why not share one’s creations on a national platform?
