 acpi.ca/administrators

One hour on-line presentation

\$750 + tx

Best when participants are together in the same room, but essential that the presenter can see the participants.

- Research behind the website and its offerings
- What's on your desk
- Overview of site
- Description of standard offerings

Half-day on-line or in person presentation

\$1000 + tx

Participants are together in the same room. It is essential that the presenter can see all of the participants. Prior to the presentation, boards are asked to outline current professional development goals/needs.

- Research behind the website and its offerings
- What's on your desk - group discussion
- Overview of site
- Description of standard offerings
- Open Space opportunity
- Deep dive into one or two of the projects offered on the site (ie CEFR, language proficiency, FI pedagogy, etc.)
- Development in broad strokes of PD opportunity for school administrators/staff

Full day in person presentation

\$1250 + tx

Participants are together in the same room essential where the presenter can see all of the participants. Prior to the presentation, boards are asked to outline current professional development goals/ needs.

- Research behind the website and its offerings
- What's on your desk - group discussion
- Overview of site
- Description of standard offerings
- Deep dive into two or three of the projects (ie CEFR, language proficiency, FI pedagogy, etc.)
- Development in more detail of PD opportunity for school administrators/staff

Special offerings for ½ day session:

I want to know what to “Look-For” in a French Immersion Classroom - a deep dive into the National Look-Fors document including:

- Overview of components of the document and current FI pedagogy
- Review of Conversation Starters
- Hands on use using scenarios
- Implementation in a school setting

I want to know more about the CEFR- an overview of the Common European Frame of Reference and its implications in schools:

- Overview of the CEFR components
- Discussion and implementation of the Action Oriented Approach
- What might you see in a CEFR inspired classroom
- The benefits of challenging the DELF
